Blizzard Beach

Chills and Thrills

Summit Plummet Look out below! The tallest water slide in the U.S. launches you on a 60-mph plunge.

Teamboat Springs Take the family for a twisting, turning raft ride down 1,200 ft of rushing waterfalls.

Downhill Double Dipper Tube through twin 50-ft slopes.

Toboggan Racers An eight-lane fast lane straight to the bottom of the mountain.

Runoff Rapids Shoot the flumes in a one-, two-, or three-person tube.

Slush Gusher Rocket through cavernous gulleys at speeds up to 50 mph.

Cross Country Creek Grab a tube and drift down this 1/2-mile lazy creek. Watch for falling drops of ice-cold water while floating through the ice cave.

Chair Lift Soar over the craggy face of Mt. Gushmore.

Melt Away Bay A one-acre pool, fed by waterfalls of melting snow.

JUST FOR KIDS

Ski Patrol Training Camp Especially for pre-teens. There's a bungee cord slide, a T-bar drop, floating icebergs and more.

Tike's Peak A kid-sized version of *Blizzard Beach* with a mini Mt. Gushmore, racer slides, tube slides, body slides, and a snow-castle fountain for splashing.

MORE FUN

Disney's Winter Summerland Miniature Golf Santa helped us create a miniature golf paradise for his off-duty elves. Putter around on two 18-hole courses. It's just \$9.25 plus tax for adults and \$7.50 plus tax for ages 3-9, for 18 holes. Play a second round in the same day and it's 50% off. *Blizzard Beach* admission is not required. However, our great combo ticket lets you do both.

Summit Plummet is the fastest waterslide in the whole U.S.A.
